

All of us at Customer Perspectives extend our warmest wishes to all you good shoppers who have guaranteed our continuing success.

Shopper Tips

- ◆ If you have more than one shop for the same client, be sure each report is unique in its comments rather than a “copy and paste” of a previous shop.
- ◆ After submitting each report, please check your emails regularly in case we need clarification or additional information. It is vital that you respond within 24 hours!
- ◆ When a receipt is needed with your report, please attach a copy of the original receipt rather than a credit card receipt.

Beware of Scams!!

Visit this website (<http://www.wivb.com/dpp/news/local/bbb-beware-of-mystery-shopper-scams>) to learn about a mystery shopping scam. In this scam, the shopper would receive a check, be instructed to deposit the check in their account, withdraw funds and then send those funds to an assigned destination via wire transfer. The check will prove to be fraudulent and the shopper is on the hook for replacing the funds in their account.

Please be aware that Customer Perspectives does not have any clients that require the wire transfer of funds!!

We welcome referrals for getting great shoppers. Please tell your family, friends and colleagues about www.CustomerPerspectives.com
